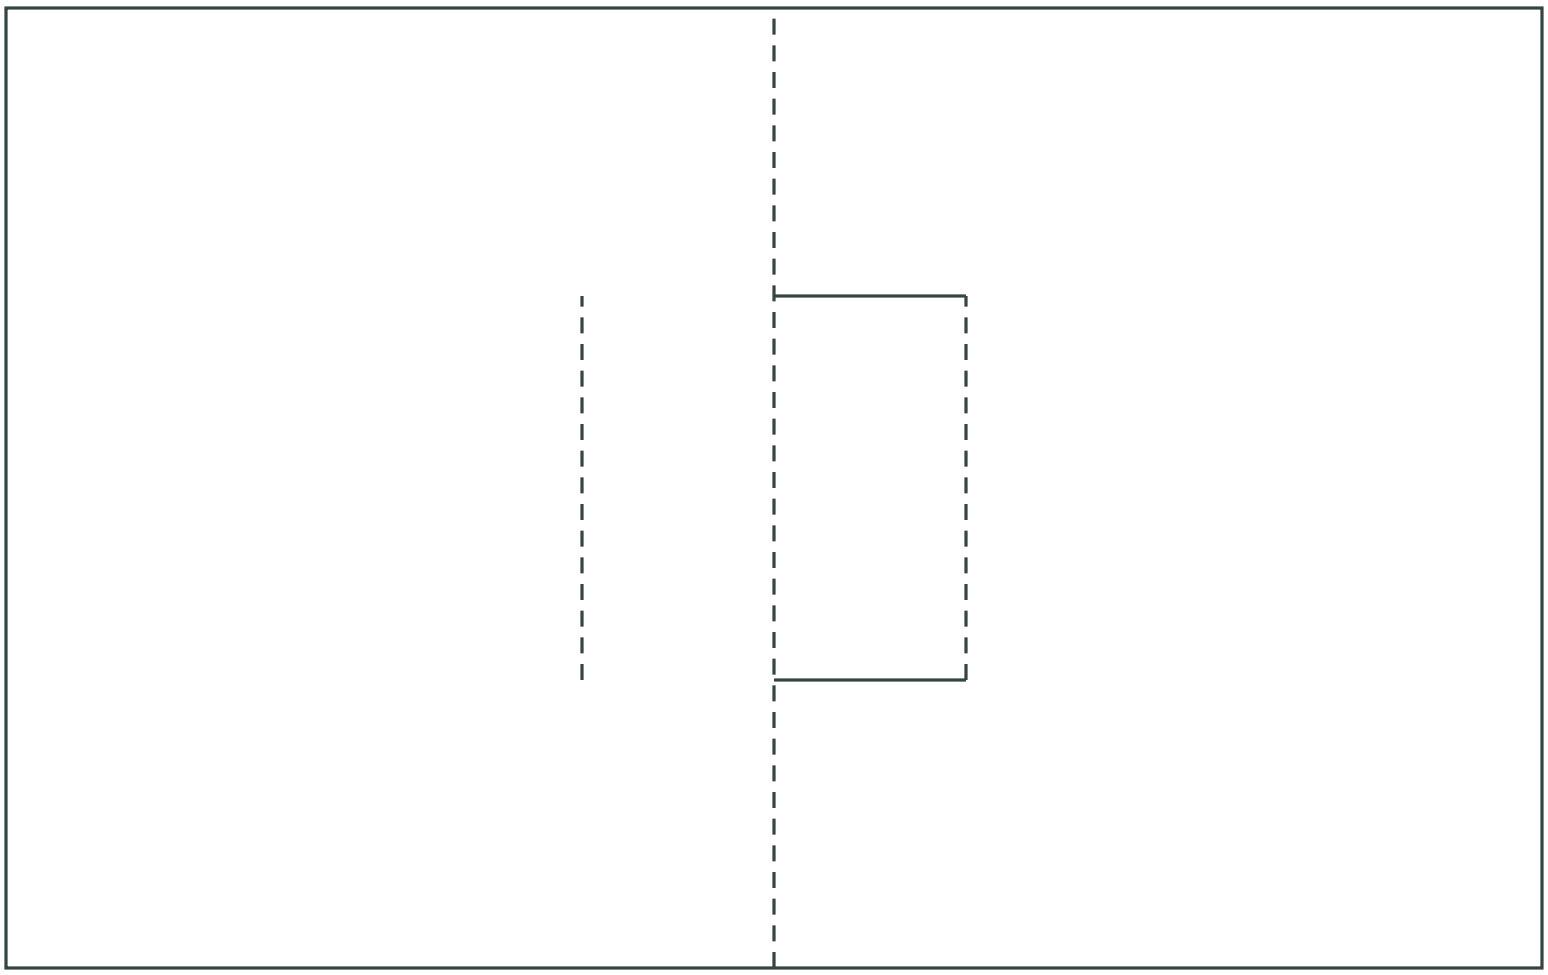
One-step pop-up cake card

Cut the outer solid rectangle. Fold on the long center dash. Make only the two short solid cuts.

Finished size folded: 4 x 5 in. Each cut is 1 in deep. The two cuts are 2 in apart.



Cut through both layers from the fold, crease the tab, open halfway and press the fold inward.

Draw icing on the front of the step. Glue the outer cover only to the fixed panels.

This line should measure 1 inch.
